

CuriOdyssey/Coyote Point Parking Guidelines

How membership parking works (F.A.Q.):

- You will be asked to pay for parking unless you show both a membership card and a parking permit to the ranger at the gate. *Wait, what if there's no ranger?* You can drive through.
- *Where can I park?* In the three closest parking lots (indicated on the park map, see above).
- Always place a parking permit on your dashboard (this protects you from fines).

NOTICE: If you are visiting the park for other purposes or are parked in an undesignated lot, you MUST pay the park entry fee. Thank you!
