**Stock Transfer Form
CuriOdyssey Campus Campaign**

Thank you for considering making your donation to CuriOdyssey in the form of up-traded securities.

Giving securities is very simple. To your convenience, below is a transfer authorization form, including our brokerage account information. Please send the complete form to your broker to initiate the transfer of the securities to the CuriOdyssey account. CuriOdyssey cannot initiate transfers on your behalf. It is very important that you notify your own broker to initiate the transfer.

Please note, CuriOdyssey will not be notified by your financial institution of the name of the donor with the transfer of securities. Therefore, please notify Mumeen Gamrani, Chief Development Officer, at Mumeen@CuriOdyssey.org. Once the securities reach our account, the securities will be sold immediately and you will receive appropriate acknowledgement.

Thank you in advance for your generous support of CuriOdyssey!
