

I am going to summer camp at CuriOdyssey!

I am going to **Gadgets and Gizmos** camp.

A pre - camp social story

# Getting Ready for camp

I will bring to camp:

- snacks and a lunch
- a water bottle
- sunscreen or a hat
- a jacket

I will wear comfortable clothes and shoes. We will spend time inside and outside during camp.

## Coming to Camp

I will check in at the sign that says **Gadgets and Gizmos**.

My grown up will say goodbye, and I will follow a camp teacher inside.

If I need to, I can sit outside with a camp teacher before joining the other campers.

# The start of camp

My camp will go to the camp classroom.

We will go over the schedule for the day.

If I have a question, I can raise my hand and ask.

# Camp Teachers are Here to Help

My camp teachers will wear name tags.

I can ask my camp teachers for help.

I can tell them when I need to go to the bathroom or take a break.

## During camp

We will do lots of different activities at camp.

We will design, build, and test projects like rockets, robots, and cars.

We will be inside for some activities, and go outside for some activities.

## Taking breaks during camp

If I need a break, I can tell my camp teachers.

They can show me a quiet space where I can take a break.

They can give me a fidget to borrow.

## **Eating at Camp**

Before we eat we will wash our hands.

We will have two snack breaks during camp.

At camp we eat outside.

I can ask my teachers for a snack from my bag if I get hungry during the day.

# Leaving Camp

I will wait for my grown up inside the classroom.

I will stay inside until a camp teachers tells me it's time to go.

When it's time to go, I will pack up my things and follow a camp teacher outside.
