

I am going to summer camp at CuriOdyssey!

I am going to **Museum Medley** camp.

A pre - camp social story

Getting Ready for Camp

I will bring to camp:

- snacks and a lunch
- a water bottle
- sunscreen or a hat
- a jacket

I will wear comfortable clothes and shoes. We will spend time inside and outside during camp.

Coming to Camp

I will check in at the sign that says **Museum Medley**.

My grown up will say goodbye, and I will follow a camp teacher inside.

If I need to, I can sit outside with a camp teacher before joining the other campers.

The Start of Camp

I will follow my camp teachers to the camp classroom.

We will go over the schedule for the day.

If I have a question, I can raise my hand and ask.

Camp teachers can Help Me

My camp teachers will wear name tags.

I can ask my camp teachers for help.

I can tell them when I need to go to the bathroom or take a break.

During Camp

We will do lots of different activities at camp.

We will make art, meet animals, explore nature, and build projects.

We will be inside for some activities, and go outside for some activities.

Taking Breaks at Camp

If I need a break, I can tell my camp teachers.

They can show me a quiet space where I can take a break.

They can give me a fidget to borrow.

When We Eat at Camp

We will eat a snack in the morning and afternoon.

In the middle of the day, we will eat lunch.

If I'm hungry I can ask my teachers if I can eat a snack from my bag.

Eating at Camp

We will go to the bathroom and wash our hands before we eat.

At camp, we eat outside.

After lunch, we will have time to play outside.

The End of the Camp Day

I will wait for my grown up to pick me up.

I will wait in the theater and classroom with other campers. I can play with the toys and color.

I will stay inside until a camp teacher tells me it is time to go.

Leaving Camp

Camp teachers will tell me when it's time to go.

I will put all of my things into my backpack.

I will follow a camp teacher out of the classroom and down to my grown up.
