

CuriOdyssey Science Playground & Zoo Announces New Hours and Weekend Festivities For The Summer Season

Located in Scenic Coyote Point Recreation Area in San Mateo

San Mateo, CA (May, 2025) – [CuriOdyssey Science Playground & Zoo](https://www.CuriOdyssey.org) announces new hours of operation and several attractions just in time for the summer season. Beginning Memorial Day Weekend, CuriOdyssey will be open on Mondays from 10am - 5pm, now offering their full programming seven days a week.

Also beginning Memorial Day Weekend will be a variety of community friendly events throughout the summer, featuring local food trucks, live music, science activities, and much more. Visit www.CuriOdyssey.org for the full summer schedule.

"The summertime is always a fun time, and we are thrilled to expand on that fun with a diverse line-up of weekend activities for the whole family to enjoy. In addition, for the first time in our 70 year history, we'll be open seven days a week," said Aragon Burlingham, Executive Director of CuriOdyssey. "The demand is always there from our community, which is why we offer camps,

classes, and workshops year-round, as well as free admission, memberships, and scholarship opportunities to increase access to science education. I think it's a big relief for parents who are looking to keep their children engaged and learning during the off-season."

Other CuriOdyssey highlights for the 2025 summer season include:

- **ViewPoint:** CuriOdyssey's largest year-round exhibition celebrating phenomena in the world around us.
 - **Animals in Actions:** Daily wildlife presentations such as watching Gunner the North American River Otter eat his lunch, or enrichment and training activities with the resident ambassador animals.
 - **Wildlife Zoo** that houses nearly 40 different kinds of animal, many of whom are wildlife rescues
 - **First Friday Nights:** On the first Friday of every month, from 5pm until 8pm, parents and kids can visit early and stay late to celebrate science and animals, and enjoy music, food trucks, and more.
 - **Woosh! Physics-in-Action Playground:** inclusive and innovative playground that incorporates universal design principles to ensure fun for all ages and abilities.
 - **Sensory Sundays:** designed for guests of all ages who are neurodivergent, have sensory access needs, and/or have a difficult time in large groups or museum settings.
- Next date: JUNE 8.**

About CuriOdyssey

CuriOdyssey's mission is to inspire a love for science and curiosity about the world to create a better future. As a non-profit science museum and zoo, CuriOdyssey lets kids observe wild animals, experiment with scientific phenomena and let the natural world answer their questions. Founded in 1953 as a junior museum, the museum was rebranded in 2011 as CuriOdyssey, catalyzing growth in audiences, educational programs and exhibits. Long a much-loved destination for families in the Bay Area, CuriOdyssey is increasingly known as a champion for a way of learning that engages children in science. CuriOdyssey is located at Coyote Point Recreation Area in San Mateo.
